## **PWS meets kinaesthetics. Leisure and education activities at Lake Balaton, Hungary.**

### **Topic**

## **Developing movement competence together**

**LEARN TOGETHER || LIVE TOGETHER || FIELD OF PWS**

Kinaesthetics provides options to dive into your own movement in a sophisticated way and concentrate on yourself on a creative level. We will deal with balance and harmony as well as with the wide variety of your ability to move and adjust. The goal of the workshop is to perceive and advance your own capability to move.
